The Many Faces of Cancer Dinner

Dear family and friends,

I would like to welcome you to the inaugural Many Faces of Cancer charity auction dinner.

I am thrilled that my dream of staging a gala dinner to raise funds on behalf of Cancer Council SA has become a reality, and I sincerely hope that we can make this an annual event.

The name 'Many Faces of Cancer' symbolises the fact that cancer comes in many different forms and has a wide impact on people, from patients to families, friends and all those around them.

Cancer affects us all in one way or another, whether through our own health or that of our family or friends.

Each year, around 9,000 South Australians are diagnosed with cancer - that's nearly 25 people a day, with another 3,500 South Australians losing their battle with the disease.

Money raised from the Many Faces of Cancer charity auction dinner will help the Cancer Council SA to fund critical cancer research, invest in cancer prevention programs and provide support for people with cancer, their carers, families and friends.

This dinner would not have been possible without the generosity, valued support and sponsorship from the following organisations; T7 Event Solutions, Hilton Adelaide, Staging Connections, the Chapley Group (Norwood Foodland), Club Financial Services North Adelaide, Angie Boscolo Conveyancing, Tekgraphix, Hair Masters, and Concept Fencing as well as many prominent local South Australian businesses that have generously donated items for both our live and silent auctions.

We are going to have a wonderful night of great entertainment, excellent food and amazing auction items, so let's have some fun while we raise much needed funds for Cancer Council SA, and I look forward to being able to meet and thank you for your support.

Angie
